Goldhill Alternative Provision is part of the 50 year old charity Goldhill Play Association and now also part of The Goldhill Learning Foundation which is a newly registered independent special school. Our alternative provision operates from three bases which are located in Lutterworth, Mowmacre & St Matthews. Our objective is to challenge pupils to take responsibility, modify their behaviour and improve attitudes towards life while developing social inclusion, self-esteem and life skills while inspiring them to re-engage through personalised timetables. Our approach is totally young person centred as we believe with the right relationships and the right environment, behaviour and attitudes can be positively impacted. Our mentoring approach comes from the WDEP Framework and the choice Theory Model with our staff continuously updating their skills and knowledge. At Goldhill we can offer functional and digital skills along with an outdoor approach to learning encouraging young people to enjoy and connect with the wild.
